Ref : Letter of recommendation

Mario Guido worked with our law firm as an intern, from August 22 through September 2, 2016 to assist in the research on various fields of law and, in particular, entertainment law and public private partnerships in connexion with various ongoing matters of our law firm.

During the short time he was with us, he showed the utmost diligence, enthusiasm and aptitude for the work in which he was engaged, giving unstintingly of his time and effort.

The results of his research were valuable and important to our matters and negotiations.

In addition to his hard work and intelligent application, Mr. Guido immediately fit into the atmosphere of our office and showed a spirit of cooperation and flexibility, which is a great asset in a law firm where these qualities are of particular value.

We recommend him without reservation and thank Mr. Guido for his efforts on our behalf during his internship.

We believe he has a fine career ahead of him in his chosen profession and wish him success in his future endeavours.

Stefan Eberhard
